

MELIORATE
ENGINEERS PVT. LTD.

Meliorate HRRO

High recovery Reverse Osmosis Systems

93% ++ recovery for Brackish water treatment

90% ++ recovery for Sea Water Desalination

Purified Water Generation Systems

WFI Units

Distribution system

We At MEPL Design+Build Turnkey Water and Waste Water Treatment Systems. Our Services have wide applications & acceptance in all industries.

We are based in Hyderabad-INDIA & have Design+Build facilities in Hyderabad & a contracted facility in Mumbai. All products manufactured by us conform to relevant National & International Standards

To bring the best of global technologies to India we have associated with leading technology providers from Israel & US.

We have an Alliance of more than 200 people, globally, specializing in various disciplines. Most from the Alliance are Engineers, Technicians, Consultants, and Scientists.

Our plants have been patronized by number of customers and we have received repeat orders for their new & expansion projects.
